

OCEANIS 46.1 2020

LENGTH OVERALL	14.60
HULL LENGTH	13.65
HULL BEAM	4.50
LIGHT DISPLACEMENT	10 597.00
FUEL TANK CAPACITY	200 L
FRESH WATER CAPACITY	570,00L
ENGINE POWER (HP)	80 HP

Double bed cabins :4
Twin beds cabins :1
Baths 10
Heads 3

Oceanis 46.1

The *Oceanis 46* boasts all the features of a large cruising yacht, with a rare balance between elegance, usable space and performance. Her stepped hull opens up an incredible amount of space inside and yet her seakeeping performance is still impressive. A large number of clever customizable fittings make *Oceanis 46.1* easy to sail and pleasantly comfortable.

EXTERIOR DESIGN

The *Oceanis 46.1* is based on a Finot-Conq plan, keeping the distinctive stepped hull of the 51.1. Apart from her performance at sea and the huge amount of space that set this boat apart, this architecture makes optimal use of the cockpit beam. An incredibly efficient deck plan makes her wonderfully safe and easy to use. The furling mast, self-tailing jib and all the halyards and sheets brought back to a single winch at each of the helm stations, make manoeuvring simple when short-handed sailing.

INTERIOR DESIGN

Large hull portholes bring a considerable amount of natural light right into the centre of the boat, so that you can truly enjoy the elegant interiors by Nauta Design. A choice of light brushed oak or mahogany set the tone and create the interior atmosphere, which can be readily customized.

Equipment

Deck equipment: Bimini Top, Cockpit shower, Cockpit speakers, Cockpit table, Dinghy, Sprayhood, Steering wheel (2), Wind Instruments (1), Windlass

Rigging / Sails: Batten Main Sail, Roller furling Self Tacking Genoa
